Careers Overview

Oakfield House School

Careers Programme Information

We aim to ensure a high quality of vocational and careers education for young people with special educational needs, to be delivered in a meaningful and appropriate way for their needs and circumstances.

Our vision is to increase the opportunities our students have of finding quality, paid employment in later life.

Through person-centered planning with the Education, Health & Care plans as the priority, we support students to articulate their aspirations for adult life, including for many their aspiration to work.

Strands of Careers Education at Oakfield House School

In order to support students to achieve their aspirations, careers education at Oakfield consists of the following strands:

- 1)** Vocational Education lessons to support students to identify their skills, interests and talents.
- 2)** Work Related Learning opportunities offering meaningful vocational experience on site.
- 3)** Role play and home corners for immersive experiences
- 4)** Immersive room activities linked to interests and aspirations.
- 5)** Onsite and offsite visits from and to local businesses and emergency services.
- 6)** Thematic learning with cross curricular links.
- 7)** Participation in Careers week, both onsite and offsite at a sister school.
- 8)** Job roles within the classroom to promote job roles and responsibilities.
